

DOWNERS GROVE NORTH MUSIC BOOSTERS
2009-2010 Contributing Members Fund

The *Downers Grove North Music Boosters* is a parent/community group supporting the Downers Grove North High School Bands, Choirs and Orchestras. Designed primarily to perpetuate interest in the music curriculum, the *Downers Grove North Music Boosters* serve as a base of support and encouragement for all of our student musicians. Moneys raised by the *Downers Grove North Music Boosters* are used in various ways:

- The financial support of special projects, activities and trips that are designed to enrich each student's musical education.
- The purchase of special equipment, such as musical instruments and other supplies designed to enhance each student's musical education.
- Scholarships for students who are attending summer music camps or who are requested to study a secondary instrument with a private teacher.

As a parent of a music student at North High School, you are automatically a member of the *Downers Grove North Music Boosters*. All North High School parents, as well as community organizations and businesses are encouraged to become "contributing members." This is accomplished when a family, organization or business allocates an unspecified contribution to the *Downers Grove North Music Boosters*. In return, each contributor will be recognized in the music concert programs at North High School. The annual level of contributions is as follows:

¹ Fritz Wildermuth Leadership Circle	\$500 +	
Honorary Conductor	\$250.00	-\$499.00
